She always responds with speedy proposals, excellent rates and we are kept up to date with any commission deals and venue offers. I have and would highly recommend them to other venue finding agencies as they always go the extra mile'

'In a competitive market place, a pro-active sales plan was key to our strategy, with the usual restraints on budget and time, we looked for solution to help with both. they spent time with us to understand our business, goals and objectives, ensuring that their sales plan fitted and supported these. Their service has provided professional, consistent and proactive sales activity increasing exposure, creating partner opportunities and heightening the profile and awareness for the Michels & Taylor hotels, driving new enquiries and revenue opportunities from both the corporate and agency buyer and generating new business enquiries to the value of £1.4 million. We have found the service a real benefit and asset to our team, and would not hesitate in recommending them.'

Corporate Event Organiser

'Kathryn works incredibly hard and is super effective. Before Coronavirus arrived and the world seemingly changed forever, Kathryn sourced a choice of three venues for our event, showed me round all three and helped me decide on the best one, before negotiating a discounted price with the chosen venue. All good. Then Coronavirus hit, and yet again Kathryn was exceptional managing to secure a refund on our deposit despite the terms of the venue contract not allowing for this. Great job Kathryn and I look forward to working with you again once this nightmare is over!'
